INTRODUCTION

This Reference Circular is an addendum to Reference Circular 82-4: Reference Books in Special Media, September 1982. The information contained in this addendum is based on producers' catalogs.

In Section I, reference books are listed by medium (braille, cassette, large type). For each entry, bibliographic information is given for the print edition, followed by pertinent information about the special-format edition. The number of volumes or cassettes is indicated, if this information was provided by the producer. Cassette books listed are available on 15/16 ips, 4-track, unless otherwise indicated.

Books for which "NLS" is listed as the source may be borrowed on free loan from a network of cooperating libraries for blind and physically handicapped individuals. This library service is available to residents of the United States and American citizens living abroad who are unable to read standard printed materials because of visual or physical impairment. Full details about this program and addresses of cooperating libraries may be obtained by contacting the Reference Section, National Library Service for the Blind and Physically Handicapped, Library of Congress, Washington, DC 20542.

Complete addresses of all sources cited in this addendum are shown in Section II. An index of titles appears on pages 8-9.
